SERVICE

Why should you join GORS for a student placement?

Career development – your career aspirations are in your hands, with a GORS year-long student placement providing excellent experience.

Location - opportunities available nationwide

Flexible working - your work can be flexible around what is important to you, allowing you to achieve a great work life balance

Ongoing development – you will have a variety of development opportunities, including formal training and self-directed study

Working environment - work with professionals from diverse academic backgrounds, with regular opportunities for socialising and networking

Corporate contributions - get involved with something separate to your day-to-day work which you are interested in

Entry requirements (Year-long and summer student placements)

To apply, you must be studying a highly numerate degree and expecting to achieve a 2:1 or above. You must also be in at least your second year of study and be returning to university after completing your placement. For our summer placements, you will also be eligible if you have graduated and are going on to do further study.

The GORS student placement applications are OPEN NOW on Civil Service Jobs and closes on 20th March 2022.

National salary ranges from £17,500-£22,500 pro rata (London salary ranges from £21,500-£26,500), depending on department & location.
